Work in the community

For the municipal year 2023/2024 I am serving as the Mayor of Oldham, this being one of the greatest honours of my life to act as the borough's first citizen. Oldham has a rich history, diverse communities and it has been great to see the friendly and welcoming nature of the wonderful people who live here on the Mayoral Engagements that I have had the pleasure of attending throughout the year.

I have worked hard to represent the residents of Alexandra Ward since election in 2013. I regularly speak and campaign on local and national media on behalf of the residents of Alexandra Ward. My ward colleagues and I are working towards a cooperative borough, implementing the key labour administration visions in Oldham and our ward.

Working cooperatively with residents I have helped with a variety of issues – fly tipping, anti-social behaviour, alley gating and missed bin collections. Please do contact me with any problems or council related issues. You can also read more about my work and campaigning on my website.
