

## Review of Scrutiny in Oldham

“To ensure scrutiny has a clear role and focus within the organisation, that Oldham has an influential scrutiny function which is held in high regard by its many stakeholders and which achieves measurable service improvements and adds value for the people of Oldham through a member led process of examination and review”

To achieve this Scrutiny will follow the nationally agreed ‘Four Principles of Good Scrutiny’;

1. Provide ‘critical friend’ challenge to decision makers, through holding them to account for decisions made, engaging in policy review and policy development;
2. Promote Scrutiny as a means by which the voice and concerns of the public can be heard;
3. Ensure Scrutiny is carried out by ‘independent minded’ Board members;
4. Improve public services by ensuring reviews of policy and service performance are focused.

To achieve this we will ensure:

- Parity of esteem, the scrutiny function of the council has the same importance in the governance system as executive decision-making activities.
- The offer of senior officer support and providing senior officer leads
- We are Listening to local people and making sure their views are heard by decision makers
- Looking at decisions, policies or issues that affect local people
- Authentic cross-party working
- Working and co-operating with Statutory and non-Statutory partners
- Conclusions and recommendations that are evidence based
- Engagement and training of elected members
