**6 CORPORATE PERFORMANCE REPORT: QUARTER 4 -
2024/25**

The Corporate Performance Report for Q4 (1st January to 31st
March 2025) was presented. Key highlights included:

- 93% of older people (65 and over) who were still at home
91 days after discharge from hospital, exceeding the 89%
target.
- 28% of people who use services receiving direct
payments, below the target of 40%
- 77% of adult social care providers rated good or
outstanding by CQC, slightly below the target of 80%
- 102,817 visits made to Oldham Community Leisure Sites,
which was a decrease of 17,028 compared to the
previous quarter.
- 674 people were referred to Social Prescribing, which
was down from 758 in the previous quarter.

- 2,706 people received an NHS Health Check, which was up by 982 on the previous quarter.

Resolved: The report was noted, and the Board acknowledged progress while encouraging focus on underperforming areas.
