

# Delegated Decision Report

Decision below £250k

<b>Subject:</b>	Fir Bank Primary School, Grasmere Road, Royton
<b>Decision maker: Senior Officer</b>	Nasir Dad, Director of Environment
<b>Decision maker: Cabinet Member</b>	Cllr C Goodwin, Portfolio Holder, Highways & Transport
<b>Decision date:</b>	20 August 2025
<b>Report author:</b>	Mohamed Abdulkadir, Engineer
<b>Ward (s):</b>	Royton North

## Reason for decision

The purpose of the report is to consider the introduction of short lengths of 'no waiting', 8am – 6.30pm, restrictions and the extension to the 'School Keep Clear' markings along Grasmere Road, outside Fir Bank Primary School.

## Recommendation(s)

The preferred option is Option 1

## Background

Fir Bank Primary School is located on Grasmere Road, Royton, within a large residential area.

On-street parking takes place throughout the residential area, including the school frontage. Some of the school frontage is already protected by school entrance marking, operational between the hours of 8am – 5pm, however, the parking taking place at each end of this area, together with the parking on the opposite side of the road, is preventing the school coach from accessing the school frontage. This has resulted in the school children having to walk to the coach which now waits on Rochdale Road, a distance of approximately 0.2 miles from the school frontage.

Since the school entrance markings were originally introduced, an additional school entrance has been constructed to provide an accessible route for staff and pupils. This is not currently protected by the school entrance markings.

The purpose of the report is to consider the introduction of short lengths of 'no waiting', 8am – 6.30pm restrictions and the extension to the School Keep Clear markings along the school frontage, in accordance with drawing number 47/A4/1733/1.

## Alternative option(s) to be considered

Option 1: To approve the recommendation.

Option 2: Not to approve the recommendation and allow the obstructive parking to continue.

## Consultation

The Ward Members have been consulted and the proposal is supported by Councillors Dave Arnott and Christine Adams.

G.M.P. View - The Chief Constable has been consulted and has no objection to this proposal.

T.f.G.M. View - The Director General has been consulted and has no comment on this proposal.

G.M. Fire Service View - The County Fire Officer has been consulted and has no comment on this proposal.

N.W. Ambulance Service View - The County Ambulance Officer has been consulted and has no comment on this proposal.

## Risks

The introduction of prohibition of no waiting at any time restrictions and the extension of the School Keep Clear markings at this location will decrease the numbers of incidents involving road users and assist with visibility and access. There could be reputation risks around the scheme in terms of residents and business reactions to the proposals these can be mitigated by effective communications, the publication notice and review of any objections received before installing the restrictions.
