

The Licensing Act 2003

Interested Party Representation Form

The Licensing Act 2003 (the act) makes local authorities responsible for the licensing of pubs, clubs, theatres, cinemas, restaurants, takeaways and so on. Some premises may apply to extend their hours or add some form of regulated entertainment and this is where interested parties can have their say by making relevant representations and objecting to the proposals.

Interested parties

As well as Responsible Authorities, any other person can play a role in a number of licensing processes under the 2003 Act. This includes any individual, body or business entitled to make representations to licensing authorities in relation to application for the grant, variation, minor variation or review of premises licences and club premises certificates, regardless of their geographical proximity to the premises. Any representations made by these persons must be 'relevant'. For a representation to be relevant it must:

- relate to the likely effect of the grant of the licence on the promotion of the licensing objectives
- be made by an interested party or responsible authority
- not have been withdrawn
- not be 'frivolous' or 'vexatious' or, in the case of a review, 'repetitious' if made by an interested party

In the case of variation applications, the representation must be confined to the subject matter of the variation.

What are the Licensing Objectives?

- **The prevention of crime and disorder**

(Examples of representations relevant to this objective are illegal drugs, sex related activities, violent behaviour, anti-social behaviour, drunkenness, drug dealing, underage selling, however, guidance issued under Section 182 of the Act states that beyond the immediate area surrounding the premises are matters for the personal responsibility of individuals under the law)

- **Public safety**

(Examples of representations relevant to this objective are lack of adequate lighting, unauthorised alterations to property and so on)

- **The prevention of public nuisance**

(Examples of representations relevant to this objective are noise nuisance, noxious smells, anti-social behaviour, litter in the vicinity and so on)

- **The protection of children from harm**

(Examples of representations relevant to this objective are underage selling, sexual activities, access to premises, drugs use and so on)

The Section 182 Guidance is a valuable source of information that interested parties may wish to consult when considering making a representation and can be found online on this link: <https://www.gov.uk/government/publications/explanatory-memorandum-revised-guidance-issued-under-s-182-of-licensing-act-2003>

☒

I object to the application being granted at all

☐

I object to the application being granted in its current form*

*if you choose this option remember to tell us in Section 5 what changes you would like to see

You need to complete the boxes below as fully as possible. If you do not, then the Licensing Panel may not understand why you have objected.

Try to be as specific as possible and give examples such as “on 1st February 2021 I could hear loud music from the premises between 10pm and 1am. I am concerned that if the premises is allowed to open until 2am this will cause further public nuisance to me and other residents on the street”

Licensing Objectives

The Prevention of Crime & Disorder

Please state the reasons you believe granting the application will undermine this objective

Anti-social behaviour - there will inevitably be significant increases in disturbance from patrons at these premises both during the events and, on dispersal at the end of the evening.

Public Safety

Please state the reasons you believe granting the application will undermine this objective

Public safety concerns - the remote rural location without nearby police or other security will potentially lead to anti-social and/ or criminal behaviour associated with late night premises where alcohol is served and where potentially drugs may be consumed.

Road Safety Concerns - the entrance and exit to the premises is on a difficult road with fast oncoming traffic on the A62. Traffic leaving will come down a steep and narrow strip of tarmac at the premises and will block traffic trying to enter the premises.

The Prevention of Public Nuisance

Please state the reasons you believe granting the application will undermine this objective

Noise - public nuisance will be created from excessive noise in a rural area. This has already occurred from an outdoor event held at the location and noise can already be heard regularly from the existing indoor events.

Light Pollution - outdoor events will create light pollution in a rural area and will impact on both residents and wildlife in a valley area.

Impact on Wildlife - both noise and light pollution will impact.

Protection of Children from Harm

Please state the reasons you believe granting the application will undermine this objective

Section 5 – Suggestions

(please provide any suggested conditions that could be added to the licence if granted which would remedy the cause of your representation, or other suggestions you would like the licensing panel to consider)

**As a local nearby resident, we already experience issues from the existing licence for indoor events which will be exacerbated by the new application. Experience of living in the locality includes other existing buildings in the valley creating such issues as light pollution and un-permitted development that have not been dealt with by the council.
No change to the existing licence**
