Subject: Support for Woodhouses Cricket Club

Dear Licensing Team,

I am writing to express my full support for Woodhouses Cricket Club in relation to the current premises licence review.

My family and I are regular users of the club — we visit most months and have also held special events there, including our children's christenings. We frequently attend the club's family events throughout the year, and it has always been a welcoming, safe, and well-managed environment for everyone.

The club is clearly run with care and responsibility. The volunteers work hard to ensure that every event, whether social or sporting, is friendly and inclusive. It's also a genuine community hub — supporting local groups, bringing people together, and providing a safe place for children and families to enjoy.

I have never experienced any issues with nuisance or safety. Quite the opposite — the club continues to play an important role in the community by promoting sport, family activities, and charitable causes.

I strongly believe Woodhouses Cricket Club should be supported to continue the excellent work it does for the local area.

Kind regards,

Chris Duckworth
