**Subject:** letter of support

To Whom It May Concern,

We are writing in response to the notice placed outside Woodhouses Cricket Club, to formally express our support for the club and the important role it plays within our community.

We have lived directly opposite the club, at 213 Medlock Road, since 2012. During this time, we have never encountered any issues relating to cricket matches or the events held there. Instead, we have consistently experienced the club as a well-managed, safe, and welcoming part of our village.

The club offers far more than cricket. It provides a wide range of activities and events that bring people of all ages together. From the baby and toddler group, to coffee mornings for older residents, to family-friendly seasonal events such as Halloween parties, Bonfire Night, and children's Christmas parties, Its commitment to charity events and inclusive activities reflects the positive values that make it such a valuable asset to our village.

As a family, we have enjoyed many of these events over the years. They are always organised to a high standard, with safety, accessibility, and community spirit at the forefront. The annual Bonfire Night, in particular, has become a highlight for our children, while the community clean-up the following day demonstrates how its members and supporters feel about our club.

We feel very lucky to have such a dedicated, family-friendly, and community-oriented club on our doorstep. We are proud to be members and remain fully supportive of Woodhouses Cricket Club, which, to us, is much more than a sporting venue — it is vital part of our community and a place where we have made many lovely family memories.

Kind regards,

Craig and Claire Gordon

213 Medlock Road

Woodhouses, M35
