I've been a member of WCC since 1970. It has always been a very well organised and friendly club and plays an important role in the local community through sport and social events.

I've been lucky to be part of Clubs' community, for most of my life.

The Club is run by volunteers, who work tirelessly to maintain standards and amenities, through the hard work of individuals and as such, the Club is thriving.

I live opposite the Club and have done so since 1991. In that time, my family and I have never experienced problems of nuisance from events, either on the pitch or socially.
