**Subject: Breach of license claim on Woodhouses Cricket Club**

To whom it may concern

**Re: Support for Woodhouses Cricket Club Regarding Licensing Breach**

**Dear Sir/Madam,**

I am writing as a long-standing supporter of Woodhouses Cricket Club, where both of my children proudly played throughout their childhood. The club has always been a central part of our community, not only nurturing young players but also bringing families, friends, and neighbours together through its events and activities.

Over the years, I have attended countless community events organised by the club, often with family and friends. These have always been extremely well run, safe, and welcoming. The club has consistently demonstrated thorough attention to security and organisation, ensuring that all who attend can enjoy themselves in a safe environment.

Beyond sport, Woodhouses Cricket Club has played an invaluable role as a fundraiser for the village. The events they host generate much-needed funds and create a real sense of community spirit, something that is increasingly rare in today's world. For this reason, I find it very difficult to understand why anyone would complain about their operations. From my experience, the club has only ever acted in the best interests of its players, supporters, and the wider community.

I would urge the council to take into account the enormous positive contribution the cricket club makes locally. It would be a great shame for the community to lose out because of a licensing issue which, from the perspective of those of us who attend regularly, has never compromised safety or good practice.

Thank you for taking the time to consider my support.

Yours faithfully,

**Jennie and Mike Mcloughlin**
