6. Secretary of State's Guidance

6.1 Members also need to consider statutory guidance issued by the Secretary of State under Section 182 of the Licensing Act 2003.

6.2 Chapter 2 of the Guidelines deals with the Licensing Objectives and potential measures licence holders and the licensing authority should consider so they are not being undermined.

In relation to 'Public Nuisance', the following paragraphs provide:-

- 2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11pm and 8am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.
- 2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises and to respect the rights of people living nearby to a peaceful night.

6.3 A full copy of the guidelines will be available at the hearing.

7.1 When determining the application Members, having had regard to the representations, may take such steps as they consider appropriate for the promotion of the licensing objectives. The steps available to Members are:

- c. Reject the application

7.2 Any steps appropriate to promote the licensing objectives should be specified. If no of steps are appropriate and proportionate, no action should be taken.

7.3 In arriving at a decision Members must have regard to the relevant provisions of national guidance and the licensing policy statement and reasons must be given for any departure.

7.4 The decision should be based on the individual merits of the application.

8. Consultation

8.1 Consultation in accordance with the Act has taken place with all responsible bodies and notice has been given to allow for any representations from interested parties.
