a. Housing Revenue Account Estimates for 2026/27 to 2030/31 and Forecast Outturn for 2025/26

Councillor Taylor MOVED and Councillor Jabbar SECONDED a joint report, which set out the Housing Revenue Account (HRA), the detailed budget estimates for 2026/27, the strategic estimates for the four years 2027/28 through to 2030/31 and outturn estimate for 2025/26. The report also sets out the recommended dwelling, non-dwelling rents and service and concierge charges to be applied from April 2026.

The report established the HRA 2026/27, proposed original budget and the forecast outturn for 2025/26. The opportunity was also taken to present the provisional strategic budgets for 2027/28 through to 2030/31.

After taking all relevant issues into account, the projected financial position for 2025/26 is estimated to be a £3.723m positive variance when compared to the original budget forecast for 2025/26 approved at the Budget Council meeting, on 6th March 2025. This was largely due to the contribution to capital of £3m being delayed until 2026/27. It was noted that the revised forecast outturn would still see HRA expenditure at £0.757m greater than income, and reserves reducing as a result.

The 2026/27 position has been presented after allowing for a proposed increase in dwelling rents of 4.8%, an increase in non-dwelling rents in line with individual contracts, a nominal increase of 2% on service charges and the setting of Extra Care Housing concierge charges to fully recover costs.

The majority of HRA tenants are either the recipient of Housing Benefit or Universal Credit, and it is assumed that the proposed increase in rents will not be an additional financial pressure to the majority of tenants.

The financial projections for the HRA over the period 2025/26 to 2030/31 show an overall reduction in the level of

balances from £22.173m at the start of 2025/26 to £15.628m at the end of 2030/31.

Oldham
Council

The HRA detailed budget for 2026/27, strategic estimates for the four years 2027/28 to 2030/31, and the outturn estimate for 2025/26 were presented to the Governance, Strategy and Resources Scrutiny Board on 28th January 2026. The Committee was content to commend the report to Cabinet without amendment. Cabinet duly considered and approved the report at its meeting on 23rd February 2026 and commended the report to Council.

A recorded vote, in line with the Regulations was then taken on the MOTION, as follows:

b. Council Tax Reduction Scheme 2026/27

Councillor Jabbar MOVED and Councillor Shah SECONDED a report, which presented to Council the proposed Council Tax Reduction Scheme for 2026/27.

The Council was required to review its Council Tax Reduction (CTR) Scheme each year and decide whether to revise it or leave it unchanged. A major consultation exercise has not been undertaken regarding changes to the CTR scheme, and the Greater Manchester Combined Authority has been provisionally advised that no change to the scheme is proposed. In this regard, the proposal is that the CTR scheme for 2026/27 remains the same as that operating in 2025/26 and, therefore, no consultation exercise is required. The current CTR scheme provides a maximum reduction equivalent to 85% of the Council Tax charge for a Band A property and this has been unchanged since 2014/15.

The scheme continues to meet the needs of residents and remains in line with national regulations.

Council was advised that caseloads had continued to gradually decrease, and there had been no national or legislative changes that would require any local amendment. During 2026/27, officers will scope potential options for 2027/28 to assess whether any amendments to the scheme would provide value for money. This will include consideration of the cost of system changes, any potential administrative savings, and the ongoing

need to ensure the scheme continues to support residents effectively.

RESOLVED:

That Council agrees that the existing Council Tax Reduction Scheme remains unchanged for 2026/27.

A. The Revenue Budget, Capital Programme and Treasury Management Strategy Statement for 2026/27

- i. Revenue Budget 2026/27 and Medium-Term Financial Strategy 2027/28 to 2028/29**
- ii. Capital Strategy and Capital Programme 2026/27 to 2030/31 and Minimum Revenue Provision (MRP) Policy Statement**
- iii. Treasury Management Strategy Statement 2026/27 including the Annual Investment Strategy, Borrowing Strategy and Prudential Indicators.**

Councillor Jabbar MOVED and Councillor Shah SECONDED a report that provided Council with the budget reduction requirement and the Administration's budget proposals for 2026/27 having regard to the Provisional Local Government Finance Settlement (PLGFS) published on 17 December 2025 and the subsequent Final Local Government Finance Settlement (LGFS) published on 9 February 2026. The report also presents the financial forecasts for the remainder of the Medium-Term Financial Strategy (MTFS) period 2028/27 to 2028/29 based on the Settlement information received from Central Government and provides an indicative narrative on the years 2029/30 and 2030/31 which are outside the LGFS period.

The submitted presented the Council's Revenue Budget for 2026/27 together with the budget reduction requirement and the Administration's budget proposals for 2026/27 including Council Tax intentions. It also provides the financial forecasts for the MTFS period, 2027/28 to 2028/29 on the known settlement information and a high-level indicative narrative for the years 2029/30 and 2030/31 which are outside the LGFS period. Included within this report are a number of budget reduction proposals for consideration and a budgeted transfer to reserves for the financial years 2026/27 to 2028/29 which is the second consecutive that the Council's revenue budget has been balanced without the need to use general revenue reserves to support it.

The Council had reviewed all the underlying assumptions in its approach to setting the revenue budget for 2026/27 onwards having regard for the impact of the Fair Funding Review 2.0 and the allocations published in the Local Government Finance Settlement. The revenue budget gap for 2026/27 is therefore revised to £20.301m. To balance the budget, a resources review has enabled budget adjustments of £10.196m, with

Transformation Programme savings of £2.000m to be applied. £8.105m of budget reductions are proposed for delivery in 2026/27 which would balance the revenue budget position.

A version of the Revenue Budget 2026/27 and Medium-Term Financial Strategy 2027/28 to 2028/29 (based on the Provisional Local Government Finance Settlement (PLGFS) received on 17 December 2025) was presented to the Governance, Strategy and Resources Scrutiny Board on 28 January 2026. The Board scrutinised the report and the other reports on the agenda that formed a core part of the Council's strategic financial planning framework and recommended them all to Cabinet.

A further meeting of the Scrutiny Board took place on 5 February 2026 which considered budget proposals put forward by the Liberal Democrat Party. The Board recommended these proposals to Cabinet for consideration. At the Cabinet meeting of 23 February 2026, Members noted the deliberations and comments of the Governance, Strategy and Resources Scrutiny Board and after consideration resolved that none of the alternative budget proposals presented by the Liberal Democrats be accepted.

As detailed, the Final Local Government Finance Settlement was received on 9 February 2026 with the budget papers updated to reflect any changes. Cabinet met on 23 February 2026 and subsequently approved the reports and commended them to Council.

The Cabinet recommended that Council approve the following:

1. The policy landscape and context in which the Council is setting its revenue budget for 2026/27.
2. The financial forecast for 2026/27 having regard to the Local Government Finance Settlements and associated funding announcements.
3. The Flexible Use of Capital Receipts at a value of £2.600m for 2026/27 as included within Annex D of the Capital Strategy 2026/27 to 2030/31.
4. A proposed overall 2026/27 Council Tax increase of 4.99% for Oldham Council services (2.99% for general purposes and 2% Adult Social Care Precept) resulting in the charges that were set out at Table 10 of the report and at Appendix 10.
5. The Transformation Programme savings for 2026/27 at £2.000m, as detailed at Appendix 3.
6. The 2026/27 Budget Reduction proposals at a value of £8.105m included within Appendices 4 and 5 of the submitted report.
7. The proposed transfer to reserves of £1.600m in 2026/27, to improve the financial robustness of the Council.
8. The proposal to draw on the Collection Fund for major preceptors of £155.564m for Borough Wide services and £129.237m for Council services.
9. The proposed net revenue expenditure budget for 2026/27 for the Council set at £368.053m as shown at Appendix 9, of the submitted report.

10. The proposed fees and charges as set out in the schedule, that was included at Appendix 8, of the submitted report.
11. The level of general fund balances supporting the 2026/27 budget of £18.865m underpinned by the agreed policy on Reserves as included at Appendix 7, of the submitted report.

AMENDMENT

Councillor Al-Hamdani MOVED and Councillor Sykes SECONDED the amendment to the budget, on behalf of the Liberal Democrats, circulated and detailed in the Council Summons. Councillor Al-Hamdani expressed his thanks to staff who had assisted in the preparation of the report.

Councillors Harkness and Marland spoke in support of the Amendment.

Councillors Hince, Charters and Taylor spoke against the Amendment.

e. Members Allowances 2026/27

Councillor Jabbar MOVED and Councillor Shah SECONDED a report which, noted that the Council was legally obliged to consider a report from its Independent Remuneration Panel before making any changes to its scheme of allowances. It was considered to be good practice to have the scheme reviewed periodically to ensure that it reflected any changes in the Council's operation. Where the scheme allowed for increases by reference to an index, there is a requirement for review of this index at least once every four years by an Independent Panel. (Local Authorities) Members' Allowances (England) Regulations 2003).

The Independent Panel made recommendations for changes to the scheme in respect of basic and special responsibility allowances. The changes were set out within the submitted report, that was attached at Appendix 1, and the draft scheme that was set out at Appendix 2.

Full Council was required to consider the final report, have regard to the recommendations and decide whether to make any amendments to the existing scheme. Whilst the Council has a duty to have regard to the Panel's recommendations, it is the Council's choice whether to accept the Panel's recommendations in whole or in part, or not at all, or to determine any other scheme for 2026/2027.

RESOLVED:

1. That Council approves the report of the Independent Remuneration Panel, and its recommendations, as set out at Appendix 1 to the submitted report, and adopts the scheme as set out in Appendix 2 for the municipal year 2026/27, effective from 1st April 2026.
2. That the Council delegates authority to the Assistant Director of Governance, in consultation with the Director of Finance and the Director of Legal (Monitoring Officer), to:

- a. take all necessary action to implement 1 above.
 - b. update the constitution.
 - c. establish an Independent Remuneration Panel to review the scheme of allowances for implementation of the revised scheme from April 2027.
3. That the Independent Remuneration Panel be thanked for its report.
