Options/Alternatives considered

Option 1: To approve the Council’s response to the Government’s consultation on draft National Planning Policy Framework (NPPF): Plan-making and national decision-making policies (December 2025). This is an opportunity to inform the content of the emerging NPPF. For this reason, it is important we submit comments to the consultation.

Option 2: To not approve the Council’s response to the Government’s consultation on draft National Planning Policy Framework (NPPF): Plan-making and national decision-making policies (December 2025).
