1. APPLICATION/COMPLIANCE WITH CONTRACT PROCEDURE RULES

- 1.1 These Contract Procedure Rules are made under Section 135 of the Local Government Act 1972 and apply to all Contracts and Call-Off Contracts for the procurement of Supplies, Works, Services or Concessions made in the name of the Council. Where in these Rules “the Council” is referred to, the term shall include the reference to School Governing Bodies by virtue of the Scheme for Financing Schools, to the Council in its roles as charitable trustee and to the Miocare Group and any other Contracting Authority owned in whole or in part by the Council.
- 1.2 Compliance with the Rules and observance of law and the acts and regulations from which they emanate (in particular the principles relating to non-discrimination, equal treatment, mutual recognition, and transparency) is mandatory for all Officers, Members, agents, and consultants acting on the Councils behalf. The Rules ensure that procurement activity is undertaken in a legally compliant, transparent, fair, and competitive manner.
- 1.2 For the avoidance of doubt, in instances of pooled funds arrangements made under section 75 of the National Health Service Act 2006 and the NHS Bodies and Local Authorities Partnership Arrangements Regulations 2000 the lead commissioning organisation’s rules will take precedence.
- 1.3 Every Contract entered into by the Council shall be entered into pursuant to or in connection with the Council’s functions and shall comply with:
 - 1.3.1 all relevant statutory legislation and provisions and in particular the Procurement Regulations and any relevant case law;
 - 1.3.2 the Council’s Constitution including these Contract Procedure Rules, the Council’s Financial Procedure Rules and the Officer and the Executive Member Scheme of Delegation; and
 - 1.3.3 the Council’s strategic objectives and policies including, amongst others, the Corporate Plan.
- 1.4 These Contract Procedure Rules apply to all Contracts awarded by the Council for Supplies, Works, Services or in respect of Concessions, regardless of the source of funding for the Contract. They apply to procurement by any form, including by way of a Council purchase order by any other form of Contract awarded by any person, firm or body on the Council’s behalf.
- 1.5 No Contract shall be entered into unless those officers specified in the Scheme of Delegation at Part 3 of the Council’s Constitution with budget responsibilities are satisfied that there is adequate budget provision and all necessary consents to the expenditure have been obtained.
- 1.6 Where a Contract involves the making of a Key Decision as defined in Part 2, Article 14.3.2 -14.3.3 of the Constitution, those relevant officers specified in the Scheme of Delegation at Part 3 of the Council’s Constitution shall ensure that the Director of Legal and the Director of Finance are consulted throughout the procurement or commissioning process.
- 1.7 It shall be a condition of any Contract between the Council and any persons (not being Officers of the Council) who are required to supervise a Contract on the Council’s behalf, that

in relation to such Contract, those persons shall comply with the requirements of these Contract Procedure Rules as if they were Officers of the Council.

1.8 These Contract Procedure Rules shall not apply to:

1.8.1 Contracts of employment.

1.8.2 Contracts for direct payments or for personal social or health care or educational need where neither a quotation or tender procedure are, in the opinion of the Executive Directors, or appropriate Director (following consultation with Director of Legal) viable methods of procurement in the circumstances.

1.8.3 Contracts for the purchase or sale of land or securities, or Contracts for the taking or granting of any interest in land, unless such Contracts involve details of the Council's specific requirements which would amount to a Works contract and must be procured in accordance with these Rules.

1.8.4 Contracts for supplies to be purchased at auction and where the Director of Finance has agreed in writing that the Council's interests will best be served by purchase through auction and has similarly agreed an upper limit for bids.

1.8.5 Contracts for the use of counsel or other legal representation where the Director of Legal considers that a Procurement exercise would not protect or support the Council's interests. All contracts for the use of counsel or other legal representation must be commissioned and/or approved by the Director of Legal or nominated representative.

1.8.6 Contracts for works of art or theatre, which are genuinely exclusive.

1.8.7 Contracts commissioned by another Contracting Authority as lead authority in accordance with their own contract procedures and Procurement Legislation provided the Commercial Procurement Unit (in consultation with Legal Services) is satisfied that the Contracts have been compliantly procured.

1.8.8 A Call-Off Contract made by the Council or a lead Contracting Authority on behalf of the Council under a legally compliant Framework Agreement , where the Council is an identifiable or named Contracting Authority provided the Commercial Procurement Unit (in consultation with Legal Services) is satisfied that the Call-Off Contract has been compliantly procured (see Rule 8).

1.8.9 The sale or provision of Supplies, Works or Services delivered by the Council as traded services.

1.9 Save for Rule 14.1 and Rule 14.8 and Rule 14.12, these Contract Procedure Rules shall not apply to receiving Grant funding by the Council, and Grant funding to be distributed as a Grant by the Council. This exclusion does not apply to the procurement of Supplies, Works or Services using Grant funding received by the Council. In such cases Grant Funder rules stipulated for procurement should always apply and be strictly adhered to, for the avoidance of any clawback.

1.10 The Director of Finance may deviate from these Contract Procedure Rules where there is a valid or exceptional reason for doing so and providing the decision is still compliant with the Public Contracts Regulations 2015. All such cases will be documented and legal advice will be sought .

-
- 1.11 Any failure to comply with any of the provisions of these Contract Procedure Rules shall be reported to the Head of Commercial Procurement Unit who will refer the matter to the Director of Legal or the Director of Finance, as appropriate and the officer. A breach of these Rules may result in disciplinary action.
 - 1.12 The relevant officer referenced in Rule 1.11 shall, where appropriate, take immediate action in the event of a failure to inform the appropriate Director who will consider and determine the appropriate action.
 - 1.13 Any dispute regarding the application of these Contract Procedure Rules shall be referred to the Director of Finance and Director of Legal for advice.
 - 1.14 The final arbiter for resolution of disputes regarding the application or interpretation of these Contract Procedure Rules shall be the Director of Legal whose decision shall be binding and final.
 - 1.15 Persistent breach of the Contract Procedure Rules will also be reported to the Audit Committee.
 - 1.16 These Contract Procedure Rules make provision for the overriding Procurement Regulations. It is anticipated that the Procurement Regulations will be amalgamated and replaced with new legislation which governs the way in which Contracts that have a Contract Value in excess of the prescribed thresholds are procured. The Provider Selection Regime (PSR), a new set of rules for arranging healthcare services in England (but not the procurement of goods or non-healthcare services) apply to the Council.. In the event that new legislation or rules are imposed, the definition of the Procurement Regulations shall be deemed to be modified to refer to the replacement legislation and rules and any procedures within these Contract Procedure Rules which comply with the Procurement Regulations as currently in force shall be deemed to be modified to refer to the replacement rules and procedures.

2. COMMISSIONING AND PROCUREMENT PLANNING

- 2.1 Prior to the start of each financial year, the Council shall create a strategic procurement forward plan in consultation with the Head of the Commercial Procurement Unit and members of the Legal Services team setting out its current Contracts and any Works, Supplies or Services to be procured for the forthcoming financial year. The procurement pipeline should be refreshed at intervals as the need arises. The coordination and updating of this plan will be the responsibility of the Commercial Procurement Unit. The strategic procurement forward plan will be published on the Oldham Council website.
- 2.2 The Council shall, where appropriate, make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness in accordance with Section 3 Local Government Act 1999 ("Best Value"). This includes where appropriate, consultation with representative groups of payers of Council Tax and Business Rates stakeholder(s) and any other relevant interested groups prior to commissioning services.
- 2.3 The Council shall consider its obligations under the Public Services (Social Value) Act 2012 and have regard to economic, social and environmental well-being in connection with public services contracts and for connected purposes in its planning and commissioning processes.
- 2.4 The Council shall, where appropriate, consider its obligations with regard to data protection under the UK General Data Protection Regulation and the Data Protection Act 2018 as amended from time to time and in particular its responsibilities and that of the Contractor in relation to the processing of personal data through the outsourcing of its services, including specifying the conditions for processing and retaining personal data.

-
- 2.5 The Council shall, where appropriate, ensure that any collaborative arrangements/agreements with other public bodies to procure Supplies, Works or Services comply with the Procurement Regulations and ensure value for money and that the Council's interests are fully protected.
- 2.6 As permitted by the Procurement Regulations, soft market testing may be undertaken provided it does not distort competition and is transparent and non-discriminatory.
- 2.7 Where an organisation has been involved at a pre-procurement stage (whether in soft market testing or otherwise, e.g., incumbents), the Council must ensure fairness, transparency and equal treatment when the tender process starts such as making certain information available to all Tenderers that has previously been made available at a pre-procurement stage.
- 2.8 The Contract Owner is responsible for the full commissioning cycle including contract management and must ensure the Council enters into a legally binding Contract with the Contractor prior to the provision of the Supplies, Works or Services. The Contract Owner must ensure that the Contract is correctly executed and completed and then lodged with the Commercial Procurement Unit where the value of the Contract is £10,000 and over.

3. CALCULATION OF CONTRACT VALUE

- 3.1 The estimated value of a Contract shall be the total consideration payable, including Value Added Tax (where applicable), which the Council expects to be payable under the Contract and shall be calculated in accordance with Rule 3.2 below.
- 3.2 The total Contract Value shall be calculated as follows:
- 3.2.1 Where the Contract is for a fixed period, by taking the total price to be paid during the lifetime of the Contract or the price which might be paid during the whole of the period including any permitted extension.
- 3.2.2 Where the term of a Contract is indefinite or uncertain, by taking the monthly price payable under the Contract multiplied by 48.
- 3.2.3 In relation to a compliant Framework Agreement with no guaranteed commitment, the Contract Value will be the estimated value of the required Supplies, Works or Services over the full duration of the Framework Agreement.
- 3.3 Under the Procurement Regulations, Contracting Authorities may divide tender opportunities into smaller lots to encourage small and medium sized business enterprises to submit bids and must provide reasons for not doing so. The cumulative value of the individual lots will form the total Contract Value. If the Council chooses not to divide tender opportunities into smaller lots, it will record a reason for not doing so, and this record will be held by the Commercial Procurement Unit.
- 3.4 A Contract Value shall not be artificially under or overestimated or divided into two or more separate Contracts where the purpose is to avoid the application of these Contract Procedure Rules.

4. PROCUREMENT PROCEDURES

- 4.1 Where an existing Contract, Framework or in-house service is available to meet the Council's specific procurement requirements and offers value for money it should be used unless there are particular circumstances which justify an alternative route to market.

- 4.2 An E-auction process may form part of the overall tender process and shall be used in conjunction with the relevant procedures. The Contract Notice or advertisement and the Invitation to Tender / Quote documentation shall state that an E-auction will form part of the process.
- 4.3 If Rule 4.1 does not apply, the Council must comply with the procurement table below, which sets out the required procedure for different Contract Values, the minimum number of offers that must be invited and how invitations to submit offers must be publicised.

The following thresholds are calculated as including VAT

5. QUOTATION PROCESS

- 5.1 A minimum of one full written Quotation(s) below £10,000 shall be obtained from Contractor(s) pursuant to the procedure set out in the table in Rule 4.3 before a formal Contract can be issued. Quotations may be price based only. A formal Contract shall be issued after receipt of the Quotation(s) and shall specify the Supplies, Works or Services to be provided or the Concession to be granted, set out the price and terms of payment and incorporate the Council's relevant terms and conditions of contract unless approval from the Commercial Procurement Unit (in consultation with Legal Services) is given to use alternative terms and conditions.
- 5.2 A minimum of three written Quotation(s) between £10,000 and £29,999 shall be obtained from Contractor(s) pursuant to the procedure set out in the table in Rule 4.3 before a formal Contract can be issued. A formal Contract shall be issued after receipt of the Quotation(s) and shall specify the Supplies, Works or Services to be provided or the Concession to be granted, set out the price and terms of payment and incorporate the Council's relevant terms and conditions of contract unless approval from the Commercial Procurement Unit (in consultation with Legal Services) is given to use alternative terms and conditions.
- 5.3 The Commercial Procurement Unit must assess the requirement between £30,000 and £99,999, and determine the most appropriate process below which must then be undertaken. The Head of Procurements decision on the appropriate process is final:

1. A minimum 3 full written Quotations (RFQ)

2. Closed Tender (minimum of 3 nominated bidders identified to take part in a closed tender opportunity); or

3. Open Tender (advertised on the Council's eProcurement system (The Chest) and Contracts Finder)

The above shall be carried out pursuant to the procedure set out in the table in Rule 4.3 before a formal Contract can be issued. A formal Contract shall only be issued after the Procurement and Commercial Unit are in receipt of the Quotations/Tenders which shall specify the Supplies, Works or Services to be provided or the Concession to be granted, set out the price and terms of payment and incorporate the Council's relevant terms and conditions of contract unless approval from the Commercial Procurement Unit (in consultation with Legal Services) is given to use alternative terms and conditions

5.4 Local Contractor(s) should be prioritised in each Request for Quotation and Closed Tender processes, where possible.

5.5 The standard Council templates for Quotations shall be utilised for all Procurement activity and these are held by the Commercial Procurement Unit.

5.6 All Quotation(s) sought shall be recorded in writing for audit purposes via the Council's E-procurement system (The Chest).

6. TENDER PROCESS – Below Public Contracts Regulations Thresholds

6.1 If the Council is satisfied it is lawful not to advertise a tender opportunity and chooses not to advertise the opportunity at all (*e.g. where quotations are sought, closed tender conducted, single tender action is being considered, a framework agreement or DPS is used, etc), the requirement to publish an opportunity notice on Contracts Finder does not apply to that procurement. All Open Tender opportunities must be advertised via the Council's e-procurement system (The Chest) and Contracts Finder (See table Rule 4.3.)

The Invitation to Tender should include all of the information listed in Rule 9.2 below.

6.2. Any Procurement opportunity advertised shall:

6.2.1 specify the terms and conditions which will apply;

6.2.2 invite persons or bodies to express an interest in tendering;

6.2.3 specify a date or time limit, being not less than 14 days within which such Tenders are to be submitted.

7. TENDER PROCESS – Above the Procurement Regulations Thresholds

7.1 Where an estimated Contract Value exceeds the current Procurement Regulations' Thresholds, the Contract shall be tendered in accordance with the Procurement Regulations. Under the Public Contract Regulations 2015, the Contract may largely be Tendered under Open, Restricted, Competitive Dialogue, Competitive Procedure with Negotiation or Innovation Partnerships Procedure. Under the provisions relating to Social and Other Specific Services within the Public Contract Regulations 2015 and under the Concession Contracts Regulations 2016 the Council shall have more freedom to organise the procedure, subject to compliance with the relevant Regulations

7.2 A Contract Notice in the prescribed form must be published in Find a Tender and Contracts Finder in order to invite Tenders..

-
- 7.3 All Find a Tender and Contracts Finder notices shall be published by the Commercial Procurement Unit.

7.4 Competitive Procedures

- 7.4.1 A Competitive Dialogue procedure or Competitive Procedure with Negotiation may be beneficial in circumstances where greater flexibility is needed, e.g., for highly complex and risky projects where Tenderers will have a major role in defining the solution or where an Open Procedure may not deliver the expected outcomes.
- 7.4.2 A Competitive Dialogue procedure or a Competitive Procedure with Negotiation allows the Council to negotiate proposed solutions with Tenderers to achieve a desired outcome.
- 7.4.3 The Council must publish the minimum requirements, the award criteria and their weightings, which should not be changed during the negotiation process. During the dialogue, the Council must ensure the equal treatment of all participants and must not provide information in a discriminatory manner which may give any participant an advantage over others.
- 7.4.4 Advice from the Commercial Procurement Unit, in consultation with Legal Services, must be sought prior to embarking upon a Competitive Dialogue Process or a Competitive Procedure with Negotiation.

7.5 Concession Contract

A Concession governed by The Concession Contracts Regulations 2016 must be advertised in accordance with those Regulations and the value of the concession must be calculated in accordance with Regulation 8. There are certain procedural guarantees which must be met; award criteria must be published in descending order of importance and the tender evaluation made in accordance with them; minimum time limits for the receipt of tenders and the mandatory and discretionary exclusion criteria must be applied. A Find a Tender / Contracts Finder notice must be published for over threshold tenders.

8. COMPLIANT FRAMEWORK AGREEMENTS

8.1 CALL-OFF CONTRACTS

- 8.1.1 Where an appropriate compliant Framework Agreement is recommended by the Commercial Procurement Unit, that has been established by a consortium, collaboration, the Council or other public body, the Council may consider using this compliant Framework Agreement to place an order (Call-Off) if:

-
- (a) the Framework Agreement has been established by an entity, and via a process, which permits the Council to access those arrangements lawfully;
 - (b) the Council is a named Contracting Authority in the original advertisement;
 - (c) a detailed evaluation of the opportunities and risks associated with the Framework Agreement as detailed in 8.1.2 has been undertaken and agreed by the Assistant Director of Legal and the Director of Finance.

8.1.2 Before undertaking a Call-Off under any compliant Framework Agreement, thorough due diligence should be undertaken and advice sought from the Commercial Procurement Unit, and Legal Services to confirm the following (as a minimum):

- the Council is a named Contracting Authority in the original advertisement (identification has to be either by name or by other means that makes the Council clearly identifiable i.e. the Council may be identified by reference to a specific class of contracting authorities)
- the compliant Framework Agreement is in place and binding,
- the compliant Framework Agreement is still valid,
- the compliant Framework Agreement is in place and covers the remit of the goods, works or services required
- the estimated Contract Value in respect of the proposed Call-Offs that would be made under the compliant Framework Agreement,
- that the maximum aggregate spend under the Framework Agreement has not been reached,
- that the Call-Off terms and conditions are fit for purpose,
- a copy of any User Guide / any other documentation is available.

8.1.3 Call-Off Contracts must be awarded based on the evaluation criteria identified in the compliant Framework Agreement.

8.1.4 Where the Call-Off is undertaken via a direct award process (which is prescribed in the compliant Framework Agreement), in advance of executing a Call-Off Contract the Contractor must be requested, in writing, to supply confirmation, that is verified by the Council, that it can meet the requirements of the Council in accordance with the relevant terms and conditions and the pricing established in the compliant Framework Agreement.

8.2 ESTABLISHING A COMPLIANT FRAMEWORK AGREEMENT

- 8.2.1 Where the Council is establishing a compliant Framework Agreement which may be accessed by other named Contracting Authorities, including any subsidiary companies of the Council, the estimated Contract Value that may be contracted for under the compliant Framework Agreement must take account of all potential work that may be put through the agreement (see Rule 4) and follow the procedures set out in these Contract Procedure Rules.
- 8.2.2 If the Council is establishing a compliant Framework Agreement in accordance with Contract Procedure Rule 8.2.1, reference must be made within the procurement documents explaining if the compliant Framework Agreement is intended for a wider use and advice should be sought from Legal Services to ensure the terms upon which other Contracting Authorities access those arrangements are clear and offer appropriate protection to the Council.
- 8.2.3 In establishing a compliant Framework Agreement, the total duration (including any extensions) cannot exceed four years except in exceptional circumstances where this can be duly justified (as required under Public Contract Regulations.) Any proposal to establish a compliant Framework Agreement with a duration exceeding four years should be referred to the Commercial Procurement Unit and Legal Services for advice.
- 8.2.4 Where, taking into account the above, the estimated value of the compliant Framework Agreement is above the relevant procurement threshold, the authorised officer must ensure that any other public bodies (Contracting Authorities) intended to be able to access the Framework Agreement are included in Find a Tender or contracts Finder or any official notice either individually or by an identifiable class.
- 8.2.5 In establishing a compliant Framework Agreement, the Council must ensure that the terms of the compliant Framework Agreement make the process clear by which Call-Off Contracts are to be entered into.

9. TENDER DOCUMENTATION

- 9.1 Save where a mini competition is to be carried out under another Contracting Authority's Framework Agreement, the standard Council templates for Tendering shall be utilised for all Procurement activity for Tenders of £10,000 or above.
- 9.2 As a minimum, Tender documents shall include details of the Council's requirements for the particular Contract including, but not limited to:
 - 9.2.1 a description of the Supplies, Works or Services being procured, or Concessions granted now or in the future;
 - 9.2.2 the Procurement timetable including the Tender return date and time, which shall allow a reasonable period (a minimum of 14 days) for applicants to prepare their Tenders to submit electronically;
 - 9.2.3 the timetables prescribed by the Procurement Regulations;

-
- 9.2.4 a detailed specification and instructions on whether any variant bids are permissible;
 - 9.2.5 the Council's terms and conditions of Contract (where a compliant Framework Agreement is to be used, the template Call-Off Contract shall be included)
 - 9.2.6 the evaluation criteria to be used, including Social Value and including any weightings as considered appropriate;
 - 9.2.7 payment schedule and terms and instructions for completion;
 - 9.2.8 whether TUPE may apply (if applicable);
 - 9.2.9 the pension arrangements for existing/former Council employees (if applicable);

 - 9.2.12 any further information, which will inform or assist Tenderers in preparing Tenders.

10. CONTRACT TERMS AND CONDITIONS

- 10.1 All written Contracts and Purchase Orders shall include appropriate terms and conditions for Supplies, Works, Services or Concessions (as relevant) or, where a compliant Framework Agreement is used, the applicable Call-Off terms and conditions. The Invitation to Tender or Quotation documentation shall state within the Contract which terms and conditions or Call-Off terms and conditions will apply, and these shall be available via Legal Services. Purchase Orders shall refer to the applicable terms and conditions.

10.2 All written Contracts should aim to include the Council's default requirements for insurance cover below. Any departure from these default thresholds should be discussed with the Head of Procurement and must be approved by the Director of Finance.

- Public Liability Insurance - £10m
- Employer's Liability Insurance - £5m and
- Professional Indemnity Insurance - £2m (if applicable)

except where a compliant Framework Agreement is used, in which case the levels of cover specified in the compliant Framework Agreement shall apply.

- 10.3 Any bespoke contractual terms and conditions required shall be confirmed by Legal Services prior to them being issued as part of the Tender process.
- 10.4 All Contracts shall be documented before the Supplies, Works or Services are provided or Concession arrangements begin and shall include the following, as a minimum:
 - 10.4.1 every Contract shall, as a minimum, unless there is good and sufficient reason to the contrary (or except where a compliant Framework Agreement is used, in which case the compliant Framework Agreement shall apply), require that all Supplies, Works or Services and all workmanship shall, if applicable, be in accordance with the relevant standard or equivalent International standard without prejudice to any higher standard required by the Contract.

-
- 10.4.2 a clause empowering the Council to cancel or terminate the Contract if the Contractor offers an inducement or reward in relation to the procurement of any Contract by the Council, to exclude the Contractor from the tender, under mandatory grounds or discretionary grounds for a serious infringement of the Procurement Regulations, and to recover from the Contractor the amount of any loss resulting from such cancellation or termination.

11. RECEIPT AND OPENING OF TENDERS

11.1 Electronic Tenders

- 11.1.1 Requests for Quotations and Invitations to Tender must be transmitted by electronic means in accordance with the advice of the Head of Commercial Procurement Unit. Quotations and Tenders shall be submitted by electronic means e.g., email or the E procurement system (The Chest).
- 11.1.2 Evidence that the transmission was successfully completed is obtained and recorded.
- 11.1.3 Electronic Tenders are kept in a separate secure folder in The Chest or equivalent system and cannot be opened until the deadline has passed for receipt of Tenders.
- 11.1.4 A member of the Commercial Procurement Unit, who is not responsible for the procurement exercise, will open all tenders/bids (or framework mini competition bids conducted via The Chest) with a value in excess of £50,000.

12. PRE AND POST TENDER CLARIFICATIONS

- 12.1 Pre-tender clarifications can be provided to potential or actual Tenderers. All responses should be published on The Chest and communicated to all concerned.
- 12.2 Post tender clarifications may be undertaken with Tenderers provided the Council ensures equal treatment of all participants and specifies and applies a process for post tender clarifications in the Invitation to Tender and ensures that no Tenderer is given an advantage over any other Tenderer. Any clarifications on the commercial element of a bid may only change the original price offer where the Head of Procurement reviews the clarification and deems that this is a genuine error i.e. an obvious incorrect calculation, Council providing an unclear pricing schedule. In the case of tenders appearing to be abnormally low bids the Council shall require tenderers to explain the tender price/costs proposed. The Council shall reject the tender where the evidence supplied does not satisfactorily account for the low level of price or costs proposed or where it has established that the tender is abnormally low.
- 12.3 All pre and post tender clarifications must be conducted via The Chest. All communication must be documented and retained on The Chest.
- 12.4 At all times during the clarification process, the Council shall consider and implement the principles of non-discrimination, equal treatment and transparency.
- 12.5 Unless otherwise permitted by the Procurement Regulations, in no circumstances are post award negotiations permitted.

13. TENDER EVALUATION

- 13.1 All Tenders subject to the Public Contracts Regulations 2015 or the Concession Contracts Regulations 2016 shall be evaluated in accordance with the relevant Procurement Regulations and the evaluation criteria set out in the Invitation to Tender. All other Tenders

shall be evaluated in accordance with the evaluation criteria set out in the Invitation to Tender.

- 13.2 The procurement lead from within the Commercial Procurement Unit shall ensure that a representative from Finance is involved in the evaluation of tenders where necessary, and that, where deemed appropriate by the Head of the Commercial Procurement Unit, Legal Services is consulted regarding the evaluation process for procurements in excess of £1 million.
- 13.3 The procurement lead of the evaluation team must ensure that no member of the evaluation team has a conflict of interest and completes the appropriate documentation.
- 13.4 The procurement lead must ensure that each bid is compliant and that the Tenderer is not excluded from bidding under any of the mandatory or discretionary grounds listed in the Procurement Regulations.
- 13.5 The evaluation criteria shall be predetermined and approved by the procurement lead and listed in the Invitation to Tender documentation, in order of importance. In addition, the evaluation criteria shall be strictly observed (and remain unchanged) at all times throughout the award procedure.
- 13.6 All Tenders shall be awarded on the basis of being the “Most Economically Advantageous Tender” unless otherwise agreed with the Commercial Procurement Unit, in consultation with Legal Services.
- 13.7 All Tenders must be evaluated in accordance with the following principles:
- Transparency – there should be no departure from the award criteria
 - Equal treatment - there should be an identical approach to the evaluation of each tender
 - Manifest error – all scores and calculations should be checked to ensure that there is no manifest error.
 - Record keeping – all original records should be kept together with handwritten comments to complete the audit trail.
- 13.8 Tenderers shall be given written feedback regarding their bid in accordance with the Procurement Regulations.

14. AWARDING CONTRACTS AND CALL-OFF CONTRACTS

- 21.5 All Exemptions reports require comments from the Head of Procurement, Director of Finance or their nominated Deputy.
- 21.6 A direct award of a Contract following an exemption should comply in all other respects with the Council's Contract Procedure Rules and the Council's terms and conditions of contract should be used where possible.
- 21.7 The Council cannot use an exemption to depart from the Procurement Regulations and a Voluntary Transparency Notice may be required to inform the market of a direct award.
- 21.8 Where an Exemption is granted, the Contract shall still be made subject to the Council's standard terms and conditions where possible and in accordance with any relevant requirements detailed in Rule 10.1. Any amendments required to the Council's standard terms and conditions shall be approved by Legal Services prior to issuing as part of the procurement process.
