Licensing Objectives

The Prevention of Crime & Disorder

Please state the reasons you believe granting the application will undermine this objective

Public Safety

Please state the reasons you believe granting the application will undermine this objective

The Prevention of Public Nuisance

Please state the reasons you believe granting the application will undermine this objective

The premises is approximately 10 metres from housing at the side and 28 metres from houses directly facing, if the premises is open to 2.00am there is every chance that residents in these homes could be affected by noise from customers visiting the premises. This noise includes car engines, car doors slamming and music from car stereos. Although Ashton Road is quite busy, from midnight onwards the noise of this road will die down, just as residents are sleeping and so noise from customers using the takeaway is likely to disturb them on occasions. I have spoken to Usman Ali and he has stated he will not want to open until 2.00am most Fridays, Saturdays and Sundays but would like to during Ramadan. He said the rest of the year he is happy to close everyday at midnight. He has emailed to confirm this, see attached. I would have no objection if the premises was open everyday until midnight except during the Ramadan periods where it could open until 2.00am.

Protection of Children from Harm

Please state the reasons you believe granting the application will undermine this objective

Section 4 – Suggestions

(please provide any suggested conditions that could be added to the licence if granted which would remedy the cause of your representation, or other suggestions you would like the licensing panel to consider)

I would have no objection if the premises was open every day until midnight except during the Ramadan periods where it could open until 2.00am.
