

The Licensing Act 2003

Interested Party Representation Form

The Licensing Act 2003 (the act) makes local authorities responsible for the licensing of pubs, clubs, theatres, cinemas, restaurants, takeaways and so on. Some premises may apply to extend their hours or add some form of regulated entertainment and this is where interested parties can have their say by making relevant representations and objecting to the proposals.

Interested parties

As well as Responsible Authorities, any other person can play a role in a number of licensing processes under the 2003 Act. This includes any individual, body or business entitled to make representations to licensing authorities in relation to application for the grant, variation, minor variation or review of premises licences and club premises certificates, regardless of their geographical proximity to the premises. Any representations made by these persons must be 'relevant'. For a representation to be relevant it must:

- relate to the likely effect of the grant of the licence on the promotion of the licensing objectives
- be made by an interested party or responsible authority
- not have been withdrawn
- not be 'frivolous' or 'vexatious' or, in the case of a review, 'repetitious' if made by an interested party

In the case of variation applications, the representation must be confined to the subject matter of the variation.

What are the Licensing Objectives?

- **The prevention of crime and disorder**

(Examples of representations relevant to this objective are illegal drugs, sex related activities, violent behaviour, anti-social behaviour, drunkenness, drug dealing, underage selling, however, guidance issued under Section 182 of the Act states that beyond the immediate area surrounding the premises are matters for the personal responsibility of individuals under the law)

- **Public safety**

(Examples of representations relevant to this objective are lack of adequate lighting, unauthorised alterations to property and so on)

- **The prevention of public nuisance**

(Examples of representations relevant to this objective are noise nuisance, noxious smells, anti-social behaviour, litter in the vicinity and so on)

- **The protection of children from harm**

(Examples of representations relevant to this objective are underage selling, sexual activities, access to premises, drugs use and so on)

The Section 182 Guidance is a valuable source of information that interested parties may wish to consult when considering making a representation and can be found online on this link: <https://www.gov.uk/government/publications/explanatory-memorandum-revised-guidance-issued-under-s-182-of-licensing-act-2003>

*if you choose this option remember to tell us in Section 5 what changes you would like to see

You need to complete the boxes below as fully as possible. If you do not, then the Licensing Panel may not understand why you have objected.

Try to be as specific as possible and give examples such as “on 1st February 2021 I could hear loud music from the premises between 10pm and 1am. I am concerned that if the premises is allowed to open until 2am this will cause further public nuisance to me and other residents on the street”

The Prevention of Crime & Disorder

Please state the reasons you believe granting the application will undermine this objective

The Prevention of Public Nuisance

Please state the reasons you believe granting the application will undermine this objective

The application (ref 120487) gives the post code of the venue as OL8 2BJ but this location is imprecise and covers a relatively large geographical area. It would be nice to know where specifically this venue is going to be located. If it's near to the Northern Roots development (shown [here](#)) then there are several residential properties located within 100 metres of the site and having loud music played outside from 8am until midnight, potentially every day of the week (Monday to Sunday in the application) would severely negatively impact the nearby resident's quality of life. Depending on the volume of the music being played outside, other nearby properties could also be adversely impacted by noise.

Protection of Children from Harm

Please state the reasons you believe granting the application will undermine this objective

Given the potential of loud music from 8am until midnight every day of the week, I believe that this would negatively impact those nearby residents with children. Again, having loud music played outside on a weekday until midnight on a school night would undoubtedly cause harm to children's sleep patterns and it is a demonstrable fact that lack of sleep in children negatively impacts their ability to concentrate at school. I would suggest that this could be classified as “harm”.

Section 5 – Suggestions

(please provide any suggested conditions that could be added to the licence if granted which would remedy the cause of your representation, or other suggestions you would like the licensing panel to consider)

I would like to see the removal of the provision for the performance of live music outdoors and the removal of the provision for the playing of recorded music outdoors.
