Dear *Carolyn*

Further to your letter dated 24th July, I would like to pass on my own personal thanks to you for taking the time to write to me following the tragic events at Manchester Arena. I also send my sincere condolences to the people of Oldham and those families who were directly affected by the terrorist attack.

It is always a pleasure to receive a letter of gratitude from those that we so proudly serve particularly in light of the recent terrorist events across the country.

Kind regards
