The proposed utilisation of the additional funding was developed in partnership with NHS Oldham CCG.

## **ESTABLISHMENT OF A COMMISSIONING PARTNERSHIP BOARD**

The Cabinet gave consideration to a report of the Deputy Chief Executive, Corporate and Commercial Services which sought approval of the establishment of a joint committee of Oldham Council and Oldham Clinical Commissioning Group (CCG) under Regulation 10 (2) of the NHS Bodies and Local Authorities Partnership Arrangements Regulations 2000. Further to the report considered by Cabinet on 28<sup>th</sup> February 2018, further work has been undertaken by the Council and CCG colleagues to develop a terms of reference for a Commissioning Partnership Board and those terms were attached as appendix 1 to the report.

Members were advised that the establishment of the joint committee would oversee the bringing together of 'in scope' budgets of the CCG and Oldham Council.

The operation of the aligned budget structure would be underpinned by a S.75 NHS Act 2006 agreement building on the agreement that was already in place, primarily for Better Care Fund Resources.

Membership of the Board would consist of 4 core voting Members from the Council side and 4 core voting members from the CCG. Advisory Members would also be in attendance as detailed in the attached terms of reference.

### **Options/alternatives**

Option 1 – To establish a Joint Committee (Commissioning Partnership Board) under Regulation 10 (2) NHS Bodies and Local Authorities Partnership Arrangements Regulations 2000 and to delegate those executive functions which are joint commissioning functions within the Section 75 agreement to the Commissioning Partnership Board.

Option 2 – The Commissioning arrangement remain separate, split between the two organisations with separate decision making.

### **RESOLVED – That:**

1. The establishment of a Joint Committee of Oldham Council and Oldham Clinical Commissioning Group (Commissioning Partnership Board) under Regulation 10 (2) of the NHS Bodies and Local Authorities Partnership Arrangements Regulations 2000, to undertake Executive functions within the Boards proposed Terms of Reference be approved.
2. Authority to undertake joint commissioning functions that are Executive functions to the Commissioning Partnership Board within the procedures set out in the terms of reference and supporting section 75 agreement(s) that would enable a scaling up of the integration of health and care commissioning in Oldham.
3. The terms of reference of the Commissioning Partnership Board as set out at appendix 1 be agreed.
4. The Membership of the Board from the Council side would consist of:

- Leader of the Council, Cabinet Member for Economy and Enterprise
- Statutory Deputy Leader of the Council, Cabinet Member for Neighbourhoods
- Cabinet Member for Children's Services
- Cabinet Member for Health and Social Care.

### **REQUEST FOR AN EXEMPTION TO EXTEND CURRENT CONTRACTS FOR CARE PROVISION WITHIN EXTRA CARE HOUSING AND CARE AT HOME**

The Cabinet gave consideration to a report of the Managing Director of Community Health and Social Care which sought an exemption from the Council's Contract Procedure Rules to extend the Extra Care and Care at Home contracts, providing domiciliary Care, until 31<sup>st</sup> March 2019 in order to align with health care contracts commissioned by the NHS Oldham Clinical Commissioning.

The extension would include a period of seven months for the care element of Extra Care including the night care service from 15th September 2018 until 31<sup>st</sup> March 2019 and an extension of seven weeks for the Care at Home, from the current contract end day 9<sup>th</sup> February 2019 until 31<sup>st</sup> March 2019.

Options/alternatives

Option 1 – To agree an exemption to the Council's Contract Procedure Rules under procedure rule 21.3 (j) to extend both existing contracts until 31<sup>st</sup> March 2019. This would allow an opportunity to align Extra Care and Care at Home contracts, create a streamlined approach to care, redesign and commission the services with the CCG, maximising the use of commissioning resources through effective joint working.

Option 2 – Recommission services separately based on current contract end dates. This would entail two separate procurement processes, impact on the ability to redesign and align with health and social care resulting in a fragmented approach.

RESOLVED – That the cabinet would consider the commercially sensitive information contained at Item 12 before making a decision.

### **AWARD OF CONTRACT: FRAMEWORK FOR THE PROVISION OF ADAPTATIONS FOR CONSTRUCTION-RELATED WORKS TO DOMESTIC PROPERTIES WHERE RESIDENTS HAVE DISABILITIES**

Consideration was given to a report of the Managing Director Community Health and Social Care, which sought approval to award a framework contract for the provision of adaptations to domestic properties where residents have disabilities and require an adaption to their home.

Members were advised that the suppliers in the framework would provide adaptations under a Disabled Grant arrangements. The grant helps towards the cost of adapting a person's home to enable the occupant to continue to live as independently as possible. The adaptations delivered from the framework were mainly installing level access showers and showers over baths.

The framework would operate differently than previously procured frameworks. It would be awarded to six contractors who would allocated work on a rota basis, with prices defined via a fixed pricing schedule issued in the tender documents. It was anticipated that this would ensure greater stability of provision.

Members were advised that the preferred contractors were based within a five mile radius of the Borough.

Options/alternatives

Option 1 – Allow the contract to expire and cease provision. This was not the preferred option as the legislative framework governing Disabled Facilities Grants places a statutory duty on the Council to approve an ‘eligible application’. This must be available to qualify.

Option 2 – To award the tender for a revised framework contract. This was the preferred option to ensure the Council can meet its statutory duty to approve the grant applications to those residents who require adaptations to remain living independently.

RESOLVED – That the Cabinet would consider the commercially sensitive information contained at Item 13 of the agenda before making a decision.

Members were advised that the performance reports would be presented in a new format at the next quarter in line with the administration priorities.

It was reported that of the rated measures detailed within the report 57% had met the target and 78% of the Corporate Plan Actions for this month were on track or had been met.

13            **AWARD OF CONTRACT: FRAMEWORK FOR THE PROVISION OF ADAPTATIONS FOR CONSTRUCTION-RELATED WORKS TO DOMESTIC PROPERTIES WHERE RESIDENTS HAVE DISABILITIES**
